## **Information and Policies**

Tuscaloosa K-9 Camp is a safe and fun place for your dog to run and play around with other dogs, chase balls, jump in the creek or pond, and just hangout and watch a little TV. There is a small dog play area in the back. Dogs are crated or kenneled at night, and sometimes for noontime naps. The owner and the trainers live on the premises. Please have your dog on a leash coming and going.

**SHOTS:** All dogs must be in good health and up to date on all shots. They must have had a bordatella (kennel cough) shot in the past six months. A copy of the shot record must be included. Your dog will also take frequent walks in the woods so they must also be on a flea/tick preventative.

**BEHAVIOR:** All dog aggression will be corrected appropriately at the camp. We have been highly trained and skill in dealing with dog aggression and know how to safely and properly correct any dog with these showing these tendencies. Please remember that your dog will be spending time with other pets and the safety and health of all dogs is our main concern. If your dog shows constant aggression towards other dogs or staff members, you may be asked to attend some aggression training.

**SEX:** If your dog has not been spayed or neutered it is imperative that you let us know.
